**Digital Cookie Troop Participation Sheet**

Dear Troop Leaders,

This year GSAK will be adding Digital Cookie to our GSAK Cookie Program. Participation is not mandatory, but for those who are excited about participating, up-to-date and accurate information is required. Please fill-in the following information for your troop girls and submit this to Council or your SU Cookie Lead. Please note that this information enables the girl to participate in Digital Cookie (DOC), but does not *require* any girl to participate.
