

Girl Scout Robotics –Teams

Register in July—Sept of 2017

Contact Kelly FitzGerald at kfitzgerald@girlscoutsalaska.org

Who: Teams are made of 6-10 girls in 4-8th grade + 2 adult coach/mentors

What: FIRST Lego League (FLL) is a competition where girls compete in robot building, project research, and core values

When: The FLL season begins in August. Regional competitions are in December and the State Championships are in January. Teams normally meet 2-4 hours per week during this time.

Where: Location for meeting is up to teams. Local competitions are in Juneau, Mat-Su, Bethel, Anchorage, and Virtual.

Cost: \$65 per girl (must also become a registered girl scout \$20)
