

Outdoor Leadership Program

Who: Just for girls entering grades 6-12! You do not have to be a registered Girl Scout to attend.

What: Explore outdoor skills and leadership during this 2-day program for older girls. During the first day of the program you participate in outdoor skill based activities as well as leadership training in an all older-girl setting. Activities will be hands-on, allowing for exploration and skill building. You will also learn the skills necessary to plan and teach an outdoor or science activity to younger girls. On the second day of the program you will take action by leading the activity you have planned at your community GS Day Camp, then, continue to participate in day camp activities and help counselors.
